SPONSORSHIP

As cyber risks continue to evolve and claims activity remains influential in shaping underwriting strategy, policy development and market response, this conference aims to provide a dedicated platform for cyber practitioners to share insights, discuss emerging trends and contribute to the wider development of the cyber market.

The conference is designed as a market-wide event bringing together underwriting, claims and broking practitioners to discuss some of the most significant challenges and opportunities shaping the cyber insurance market

The programme will focus on three key themes: critical infrastructure and systemic cyber risk, cyber claims and emerging litigation trends, and future risks including AI-enabled threats, operational technology exposures, accumulation risk and geopolitical developments. The event will feature industry-leading speakers, panel discussions, audience engagement and networking opportunities.'

£700 (excl VAT) includes:

- Logo on screen – Welcome Slide on the day at venue
 - Logo on signage at the venue
 - Logo on promotion for LinkedIn post
- Logo on promotional IUA Circular to all attendees

To confirm sponsorship, please email: deborah.finch@iua.co.uk

Event agenda will be circulated in due course
