

Joint Energy Claims Committee

Half-Day Forum

12th October 2026

1 America Square, London, EC3N 2LB

The Joint Energy Claims Committee presents an educational morning providing practical insights into the evolving energy claims landscape and its implications for insurers, brokers, and claims professionals.

8.30am **Registration with Breakfast, Tea/Coffee**

9.00am **Event Introduction and Welcome Address**

9.30am **Market Differences – Regional, Wholesale, and Retail**

This session will explore the differences across London, US and wider global market. This will also cover the differences between wholesale and retail broker, and how this differs to the roles played by a pricing broker and underwriter.

Paul Darby (Claims Manager, Starr)

Erman Hassan (Head of Marine and Natural Resources Claims, MS Amlin)

10.00am **Broker Panel Session**

This panel session will explore the value the broker adds to the insurance chain.

Nigel Ward (Construction and International Property Claims Lead, Aviva)

Pandora Wilson (Claims Advocate, SVP, Marsh)

Amanda Langer (Head of Energy, Marine and Construction Claims, Zurich UK)

Richard Hodgkinson (Head of Claims Advocacy - Natural Resources, Aon) - Moderator

11:10am **Comfort break** - Tea/Coffee served

11:35am **Wordings Update / Challenges & Legal Headlines Update**

An essential update on the latest key wordings, clauses and legal decisions shaping the energy insurance market, highlighting recent developments, regulatory updates and their practical implications, including high profile topics such as BI volatility clauses.

Franco D'Andrea (Partner, Global Risks Team, DWF)

Simon Jackson (Partner, DAC Beachcroft LLP)

12:05pm **Vendor Management Panel Session**

A candid discussion with the loss adjuster community on what claims handling could benefit from seeing more of, from soft skills to effective vendor management, and a consideration of market expectations.

Alan Long (Global Head of Natural Resources Claims, Willis Towers Watson)

Mike Roberts (Managing Director, Construction & Engineering, Charles Taylor Adjusting)

Roy Allan (Senior Claims Adjuster, Energy, Construction and Crisis Management, Markel)

1:15pm **Closing Remarks and Event Conclusion**
