

Joint Energy Claims Group

JOINT ENERGY CLAIMS FORUM

IUA and LMA half-day event for those in Underwriting, Claims and Broking roles who are interested in, or involved in energy claims

Date: Monday 12 October 2026

**Complimentary Registration with Tea/Coffee at 8:30am
Conference Welcome address at 9:10am**

Venue: Cavendish Conference Centre, One America Square, 17 Crosswall, London EC3.

The Joint Energy Claims Group Half-Day Forum is a unique and expert-led event designed to highlight the work of the IUA and LMA's Joint Energy Claims Group. With a carefully curated agenda featuring updates on legal and topical issues, differences between retail and wholesale brokers, alongside hosting interactive panel sessions focused on the role of the broker and vendor management, with the aim to promote accessibility of this free to attend event. Produced by the market for the market, it offers a prime networking platform to connect with peers and thought leaders shaping the future of the market.

SPONSORSHIP:

In sponsoring this event, the benefits to attendees will include gaining new insights from knowledgeable and credible speakers, education and training on subjects that are relevant to our administrative world and the opportunity to share best practices, including networking with industry practitioners. In addition, your organisation will be highlighted in advocating this key area of commerce.

Fee: £800 each (excl VAT) LIMITED TO 10 SPONSORS

- Mention from the Event Chair during introduction
